IT DOESN'T MATTER ANYMORE - Buddy Holly

4/4 1...2...1234

Intro:   /   / (X2)

There you go and baby here am I, well, you left me here so I could sit and cry

Well, golly gee what have you done to me? Well, I guess it doesn't matter any-more

Do you remember baby last September, how you held me tight each and every night?

Well, whoops daisy, how you drove me crazy, but I guess it doesn't matter any-more

There's no use in me a-cryin' I've done everything and now I'm sick of trying

I've thrown away my nights, and wasted all my days over you

Well, you go your way and I'll go mine, now and forever, 'till the end of time

And I'll find somebody new, baby, we'll say we're through, and you won't matter any-more

You won't matter any-more, no you won't matter any-more
