

Caledonia

By Dougie MacLean

[Intro: C G Am F F]

C G Am F
I don't know if you can see the changes that have come over me
C G Am F F
In these last few days, I've been afraid that I might drift away
C G
So, I've been telling old stories, singing songs
Am F
That make me think about where I came from
C G Am F F
That's the reason why I seem so far away today

C G
Oh, and let me tell you that I love you
Am F
That I think about you all the time
C G C
Caledonia you're calling me and now I'm going home
G
If I should become a stranger
Am F
You know that it would make me more than sad
G C
Caledonia's been everything I've ever had

C G Am F
Oh, and I have moved and I've kept on moving. Proved the points that I needed proving
C G Am F F
Lost the friends that I needed losing. Found others on the way
C G Am F
Oh and I have tried and kept on trying. Stolen dreams yes there's no denying
C G Am F F
I have traveled far with conscience flying, somewhere with the wind

[CHORUS]

C G Am F
Now I'm sitting here before the fire. The empty room, the forest choir
C G Am F F
The flames that couldn't get any higher, they've withered now they've gone
C G Am F
But I'm steady thinking my way is clear, and I know what I will do tomorrow
C G Am F F
When the hands are shaken and the kisses flowed, well I will disappear

[CHORUS]
