

# Caledonia

By Dougie MacLean

(INTRO: G D Em C C)

I don't know if you can see the changes that have come over me  
In these last few days, I've been afraid that I might drift away  
So, I've been telling old stories, singing songs  
That make me think about where I came from  
That's the reason why I seem so far away today

Oh, and let me tell you that I love you  
That I think about you all the time  
Caledonia you're calling me and now I'm going home  
If I should become a stranger  
You know that it would make me more than sad  
Caledonia's been everything I've ever had

Oh, and I have moved and I've kept on moving. Proved the points that I needed proving  
Lost the friends that I needed losing. Found others on the way  
Oh and I have tried and kept on trying. Stolen dreams yes there's no denying  
I have traveled far with conscience flying, somewhere with the wind

## [CHORUS]

Now I'm sitting here before the fire. The empty room, the forest choir  
The flames that couldn't get any higher, they've withered now they've gone  
But I'm steady thinking my way is clear, and I know what I will do tomorrow  
When the hands are shaken and the kisses flowed, well I will disappear

## [CHORUS]
