## Tune to Rudolph the Red Nosed Reindeer

I made turkey and stuffing and hot mashed potatoes

Yams and a ham and some fried green tomatoes.

But I had forgot, what my friends could have or have not.

Charlie could not have mushrooms, they interacted with his meds

Lee's on a low-carb diet, couldn't sample any breads

Peter was prone to bloating, couldn't eat the broccoli

Barbara gets acid reflux, every time she looks at me.

*Refrain* I made Martha Stewart's tart, sweet and hi-falutin

That six people couldn't eat, because it contained gluten.

Anya could not have onions, cuz they filled her up with gas

Elsie could not have eggnog, it always-knocks-her on her ass.

Sherman could not have shellfish, or-he-would asphyxiate

There wasn't one darn item, that Linda-could-put-on-her plate.

*Refrain* When I put the turkey down, Sarah had to say

Ever since the world began, I can't eat no tryp to phan.

Penny got on her podium, on and on and on she went.

Spouting the sins of sodium, she-says-that-she's-intolerant.

*Refrain* My souffle was a masterpiece, so light and oh so airy.

But-no-one took a single bite, cuz they could not eat dairy.

Everyone at the table, getting up in years you see.

So next year we'll just skip dinner and talk about our surgeries.
