I'll Never Find Another You

The Seekers, 1964

Intro: G C D7 D7 G C G

There's a new world somewhere, they call the promised land

And I'll be there someday, if you will hold my hand.

I still need you there beside me, no matter what I do

For I know I'll never find another you.

There is always someone for each of us, they say

And you'll be my someone forever and a day.

I could search the whole world over, until my life is through

But I know I'll never find another you.

Bridge:

||: It's a long, long journey, so stay by my side
When I walk through the storm, you'll be my guide, be my guide

If they gave me a fortune, my pleasure would be small.

I could lose it all tomorrow, and never mind at all.

But if I should lose your love, dear, I don't know what I'd do

For I know I'll never find another you. :||
